Short description of project
The Tempus project "Langues étrangères en primaire : formation d'enseignants" (Foreign Languages at Primary Level : Training of Teachers) - LEPRIM is a 3-year project aiming at the development of quality in training of primary level foreign language teachers (English, German and French) in Croatia, in accordance with Croatian law of 2003 which enforces learning a foreign language
from the first grade of primary school. This project focuses on initial and in service language teacher training, and supports the development of trainers, teachers and students mobility throughout the EU.

**Short description of the task performed by Croatian partner**
