EUROPE-MOBILE

Bringing Europe into schools!

20 students | 11 schools | 1 bus | more than 3000 pupils

### What is Europe-Mobile?

Europe-Mobile is a project for students and pupils. It aims to enhance students' commitment to and pupils' interest in European issues by making Europe a concrete and inspiring experience.

Each year, an international team of students from different EU member states is formed and trained on a week-long introductory seminar.
