

# Working for the EU as a trainee translator

Each year the translation services of the European Union offer both paid and unpaid traineeships to graduates who want to gain professional experience as a translator.

The trainees are recruited from among nationals of EU Member States and candidate countries with a pre-accession strategy. Some institutions accept a limited number of third-country nationals if resources are available.

## **WHAT ARE THE MAIN LANGUAGES NEEDED?**

The target languages needed are all the official EU languages – i.e. Bulgarian, Croatian, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Irish, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovenian, Spanish and Swedish – mainly in combination with English, French or German.
